DATE: 27 Feb 1964

FROM : CH/OS/TR

SUBJECT: NSAM 283 - Mid-Career Program

1. Pursuant to the DTR's instructions concerning our compliance with NSAM 283; I have found that the Mid-Career Program presently does not exactly comply with the NSAM in their present program.

2. I have scheduled a meeting with [REDACTED] for 1400, Friday, 28 Feb and will discuss the entire proposition with him at that time. I'm certain that you can indicate in your memo to the DD/S that while there is a minimal coverage at the present time, we will be able to say that steps are being taken to see that adequate coverage will appear in future courses.
